

New Horizons

SUPPLY COOPERATIVE

A Message to Our Patrons About COVID-19

New Horizons Supply Cooperative has your safety in mind. At this time, we would like to ask you to review the following information.

In Our Offices:

We appreciate your business and are proud to offer our offices in Darlington, Lancaster, and Fennimore as a place to do business, place fuel orders, and make payments on account. With the current coronavirus (COVID-19) in mind, we would like to encourage our customers to limit contact to phone, mail, and web. **Please temporarily** make all payments via mail or through our ACH payment option. Please call our office at **1-800-321-2128** if you would like help in arranging a payment. Avoiding face-to-face contact is a proven way to stop the spread of COVID-19 so that we can all return to business as usual.

At New Horizons Supply Cooperative, the well-being of our coworkers and our customers remains our top priority. The coronavirus (COVID-19) has affected many communities worldwide, and as we stay informed on this situation, we will continue to monitor and maintain the cleanliness of our locations.

At Our C- Stores: Including **Market Place** (Gays Mills)

New Horizons Supply Cooperative prioritizes health and well-being by encouraging our coworkers who are not feeling well to stay home. We continuously monitor our bathrooms hourly and wipe down all commonly contacted surfaces in our stores at least every 30 minutes to ensure continued cleanliness. We will be temporarily discontinuing food sampling and reallocating labor hours towards cleaning and sanitation efforts. We will also be discontinuing the use of refillable mugs and cups in our stores. Please utilize disposable cups temporarily at the interest of all our customers.

Please utilize the hand sanitizer at our C-Stores during your visit. Prioritize your health by washing your hands often with soap and warm water for 20-30 seconds. Avoid spreading germs by covering your mouth and nose when sneezing or coughing. Avoid touching your eyes, nose, and mouth, and stay home from work when necessary. Be cautious and avoid interaction with others who may be sick.

To stay up to date on COVID-19, we encourage you to visit:

Centers for Disease Control & Prevention: www.cdc.gov

Wisconsin Department of Health Services: dhs.wisconsin.gov

Thank you for your assistance with keeping our communities safe.
